

February 21, 2006

Honorable Jim Sebesta
404 S. Monroe St.
Room 322, SOB
Tallahassee, FL 32399-1100

Dear Senator Sebesta:

With the start of the 2006 Legislative Session rapidly approaching, I want to again encourage you to use a significant portion -- \$1 billion -- of the additional \$3.2 billion in new state revenue to "**Keep Florida Moving!**"

As you know, due to transportation cost increases FDOT has been forced to *DELAY* vitally important transportation projects across Florida... perhaps even some in your district. That's why it is so essential to use a portion of the \$3.2 billion to RESTORE these projects and "**Keep Florida Moving!**"

To emphasize the importance of transportation to Florida's economy and quality of life, I'm pleased to enclose our "**Keep Florida Moving!**" DVD and bumper sticker. And to assure you that these items ARE appropriate under Senate Bill 6-B (now Chapter 2005-359, Laws of Florida), allow me to quote from the January 20, 2006 Memorandum to Members of the Legislature and Legislative Employees, page 10, Communications Expenses:

The expenditure prohibitions in the new law do not reach expenditures made by a lobbyist or principal for items such as "media advertising," "publications," "communications," and "research." Expenditures ... are necessary for Floridians to be able to "instruct their representatives."

Thank you for your strong support of transportation in the 2005 Session, and I hope we can count on you again in the upcoming 2006 Session.

Simply put, we need YOUR HELP to "**Keep Florida Moving!**"

Sincerely,

Douglas J. Callaway
FBT President
