Honorable Tom Lee

Dear Senator Lee:

***Even if you're on the right track,
you'll get run over if you just sit there. -Will Rogers***

Now that Governor Bush has unveiled over \$3 billion in transportation improvements as part of Florida's new growth management reforms, I wanted to THANK YOU for passing this vital legislation.

This new transportation funding means we've begun the important task of "filling" Florida's \$23 BILLION transportation funding "pothole." But the job is far from over. Florida's outstanding quality of life and vibrant economy is threatened by increasing traffic gridlock. Growing congestion means:

- missed business opportunities,
- increased operating costs, and
- lost time that could have been spent with family, friends, & loved ones.

As Will Rogers suggests above, now that we're "on the right track" the transportation challenge before us in 2006 will be to "**Keep Florida Moving!**" A sheet containing four basic points designed to Keep Florida Moving is enclosed. For more about these common-sense ideas, visit: www.KeepFloridaMoving.org.

And finally, with the very latest revenue estimates now showing that an additional \$3.2 billion in state revenue can be expected over the next two years, I strongly encourage you to use a significant portion of these funds to "**Keep Florida Moving!**"

Sincerely,

Douglas J. Callaway
FBT President
