

CHARLES L. "SHORTY" WHITTINGTON
Vice Chairman – American Trucking Association (ATA) and
President - Grammer Industries, Inc.

Charles L. Whittington graduated from Purdue University in 1968 with a Bachelor of Science degree in Agriculture. During his trucking and agriculture career, he has been employed in various industries pertaining to the transportation of agricultural commodities and fertilizers.

Mr. Whittington currently owns and operates Grammer, Ind.-based Grammer Industries, a common-carrier trucking company specializing in the transportation of fertilizer materials. He also operates and manages a CSX Bids Terminal in Lafayette, Ind., that provides transfer service of fertilizers from rail to truck for further local distribution.

Mr. Whittington is active in many civic, service and trade organizations, including the Indiana Feed, Grain and Plant Food Association, the Kentucky, Illinois and Ohio Fertilizer Associations, several state LP Gas Associations.

Mr. Whittington is past Chairman of the Indiana Motor Truck Association and Chairman of the Agricultural Transporters Conference of ATA. He is a Director and board member of the Midwest Agriculture Farmers Cooperative, a transportation consultant to the Fertilizer Institute and Agricultural Retailers Associations, a member of the Bartholomew County School Board Advisory Council on vocational training and a Trustee of the Burnsville, Indiana, Christian Church.
