

**STEPHEN (STEVE) L. PRECOURT, P.E.**  
***State Representative, District 41***  
***Florida House of Representatives***

Steve Precourt, PE joined DRMP, a leading multi-discipline engineering firm, in 1989.

***Professional Affiliations***

Mr. Precourt is an active member in a number of professional engineering organizations. He believes this participation aids him in staying abreast of the ever-changing trends in the role engineers play in the development of infrastructure for the modern world.

- American Society of Civil Engineers - Chairman of the ASCE East Central Branch Transportation Technical Group
- Institute of Transportation Engineers
- Florida Engineering Society – Member, Transportation Issues Committee
- National Society of Professional Engineers

***Civic and Community Service***

Mr. Precourt is active in a number of civic and community organizations. He serves in leadership roles for several local business and professional organizations.

Mr. Precourt has taken his civic-minded duty to another level by winning the 2006 election to serve as the Florida House of Representative, District 41. During his term, he will initiate a strong, principled, conservative leadership to Tallahassee and bring an engineer's presence and perspective to the legislature.

***Personal Background***

On a personal level, Mr. Precourt is a native son to Central Florida having been born and raised in West Orange County, Florida. In 1983, he graduated from the University of Florida and chose to return to Central Florida to begin his career. In 1985, he married his wife Lisa and they are currently raising their five children: Stephanie, Michael, Heather, Samuel and Jacob in the same community where Mr. Precourt grew up.
